Re: Operation and Maintenance Responsibilities for the Camp Switzerland Sewer Lift Station

Dear Ms. Grantham:

This letter serves to confirm that the Camp Switzerland Sewer Lift Station (Lift Station) is being constructed by the Department of Public Works - Special Districts (Department) on behalf of San Bernardino County Regional Parks Department (Regional Parks), which includes Camp Switzerland at Lake Gregory Regional Park (San Bernardino County Board Agenda Item No. 46, dated September 27, 2022).

Following the completion of construction, Regional Parks will own the Lift Station and pursuant to a Memorandum of Understanding dated June 23, 2026, the Department will operate and maintain the Lift Station on behalf of Regional Parks, including the responsibility for clean-up of spills and any required repairs, for the life of the Lift Station.

The Lift Station will connect to the Crestline Sanitation District's sewer system through a manhole. Crestline Sanitation District will remain responsible for the maintenance and operation of the manhole and its sewer system.

Sincerely,

A handwritten signature in black ink, appearing to read "Noel Castillo".

Noel Castillo
